6 PHARMACY AUDITS

7 Section 301. Procedures for conducting pharmacy audits.

8 (a) Procedure.--An entity conducting a pharmacy audit under
9 this chapter shall conform to the following rules:

10 (1) Except as otherwise provided by Federal or State
11 law, an auditing entity conducting a pharmacy audit may have
12 access to a pharmacy's previous audit report only if the
13 report was prepared by an auditing entity.

14 (2) Any information collected during a pharmacy audit
15 shall be confidential by law, except that the auditing entity
16 conducting the pharmacy audit may share the information with
17 the pharmacy benefits manager and the plan sponsor, for which
18 a pharmacy audit is being conducted.

19 (3) No auditing entity conducting a pharmacy audit shall
20 solely compensate any of its employees or any contractor with
21 which an auditing entity contracts to conduct a pharmacy
22 audit, based on the amount claimed or the actual amount
23 recouped by the pharmacy being audited.

24 (4) The entity shall provide the pharmacy being audited
25 with at least 14 calendar days' prior written notice before
26 conducting a pharmacy audit, unless both parties agree
27 otherwise. If a delay is requested by the pharmacy, the
28 pharmacy shall provide notice to the PBM within 72 hours of
29 receiving notice of the audit.

30 (5) (Reserved).

31 (6) The entity may not initiate or schedule a pharmacy
32 audit during the first five business days of any month for
33 any pharmacy that averages in excess of 600 prescriptions
34 filled per week, without the express consent of the pharmacy.

35 (7) The entity shall accept paper or electronic
36 signature logs that document the delivery of prescription or
37 nonproprietary drugs and pharmacist services to a health plan
38 beneficiary or the beneficiary's caregiver or guardian.

39 (8) The entity shall provide to the representative of
40 the pharmacy, prior to leaving the pharmacy at the conclusion
41 of the on-site portion of the pharmacy audit, a complete list
42 of pharmacy records reviewed.

43 (9) Any pharmacy audit that involves clinical judgment
44 shall be conducted by or in consultation with a pharmacist.

45 (10) No pharmacy audit shall cover:

46 (i) a period of more than 24 months after the date a
47 claim was submitted by the pharmacy to the pharmacy
48 benefits manager or plan sponsor unless a longer period
49 is required by law; or

50 (ii) more than 250 prescriptions, provided that a
51 refill shall not constitute a separate prescription for

1 the purposes of this subparagraph.

2 (11) No auditing entity may use extrapolation to
3 calculate penalties or amounts to be charged back or recouped
4 unless otherwise required by Federal requirements or Federal
5 plans.

6 (12) No auditing entity shall include dispensing fees in
7 the calculation of overpayments unless a prescription is
8 considered a misfill. As used in this paragraph, "misfill"
9 means a prescription that was not dispensed, a prescription
10 error, a prescription where the prescriber denied the
11 authorization request or a prescription where an extra
12 dispensing fee was charged.

13 (13) A pharmacy may do any of the following when a
14 pharmacy audit is performed:

15 (i) To validate the pharmacy record and delivery, a
16 pharmacy may use authentic and verifiable statements or
17 records, including, but not limited to, medication
18 administration records of a nursing home, assisted living
19 facility, hospital or health care practitioner with
20 prescriptive authority.

21 (ii) To validate claims in connection with
22 prescriptions or changes in prescriptions, or refills of
23 prescription or nonproprietary drugs, a pharmacy may use
24 any valid prescription, including, but not limited to,
25 medication administration records, facsimiles, electronic
26 prescriptions, electronically stored images of
27 prescriptions, electronically created annotations or
28 documented telephone calls from the prescribing health
29 care practitioner or practitioner's agent. Documentation
30 of an oral prescription order that has been verified by
31 the prescribing health care practitioner shall meet the
32 provisions of this subparagraph for the initial audit
33 review.

34 (b) Written report.--An auditing entity shall provide the
35 pharmacy with a written report of the pharmacy audit and comply
36 with the following requirements:

38 delivered to the pharmacy or its corporate parent within 60
39 days after the completion of the pharmacy audit. The
40 preliminary report shall include contact information for the
41 auditing entity who conducted the pharmacy audit and an
42 appropriate and accessible point of contact, including
43 telephone number, facsimile number, e-mail, and auditing
44 firm, so that audit results, discrepancies and procedures can
45 be reviewed. The preliminary pharmacy audit report shall
46 include, but not be limited to, claim level information for
47 any discrepancy found and total dollar amount of claims
48 subject to recovery.

49 (2) A pharmacy shall be allowed 30 days following
50 receipt of the preliminary audit report to respond to the
51 findings of the preliminary report.

1 (3) A final audit report shall be delivered to the
2 pharmacy or its corporate parent not later than 60 calendar
3 days after any responses from the pharmacy or corporate
4 parent are received by the auditing entity. The auditing
5 entity shall issue a final pharmacy audit report that takes
6 into consideration any responses provided to the auditing
7 entity by the pharmacy or corporate parent.

8 (4) The final pharmacy audit report may be delivered
9 electronically.

10 (5) No pharmacy shall be subject to a charge-back or
11 recoupment for a clerical or recordkeeping error in a
12 required document or record, including a typographical error,
13 scrivener's error or computer error, unless the error
14 resulted in overpayment to the pharmacy.

15 (6) No auditing entity conducting a pharmacy audit or
16 person acting on behalf of the entity shall charge-back or
17 recoup or collect penalties from a pharmacy until the time
18 period to file an appeal of a final pharmacy audit report has
19 passed or the appeals process has been exhausted, whichever
20 is later.

21 (7) If an identified discrepancy in a pharmacy audit
22 exceeds \$25,000, future payments to the pharmacy in excess of
23 that amount may be withheld pending adjudication of an
24 appeal.

25 (8) No interest shall accrue for any party during the
26 audit period, beginning with the notice of the pharmacy audit
27 and ending with the conclusion of the appeals process.

28 Section 302. Appeals process.

29 A pharmacy may appeal a final audit report in accordance with
30 the procedures established by the entity conducting the pharmacy
31 audit.

32 Section 303. Limitations.

33 (a) General rule.--The provisions of this chapter shall not
34 apply to an audit of pharmacy records when:

35 (1) fraud, waste, abuse or other intentional misconduct
36 is indicated by physical review or review of claims data or
37 statements; or

38 (2) other investigative methods indicate a pharmacy is
39 or has been engaged in criminal wrongdoing, fraud or other
40 intentional or willful misrepresentation.

41 (b) Federal law.--This chapter does not supersede any audit
42 requirements established by Federal law.

43 Section 304. Enforcement.

44 The department shall have enforcement authority and take
45 action or impose penalties to bring noncomplying entities into
46 full compliance with this chapter, including the promulgation of
47 any regulations necessary to carry out this chapter.

48 CHAPTER 5

49 PBM REQUIREMENTS

50 Section 501. PBM registration.

51 (a) General rule.--To conduct business in this Commonwealth,

1 a PBM must register with the department. The department shall
2 promulgate regulations to implement this section.

3 Section 502. Generic drug list and reimbursement.

4 (a) General rule.--In order to place a particular drug on a
5 generic drug list, a PBM shall, at a minimum, ensure that:

6 (1) the drug is listed as "A," "B," "NR" or "NA" rated
7 in the most recent version of the Food and Drug
8 Administration's "Approved Drug Products with Therapeutic
9 Equivalence Evaluations," commonly known as the orange book;
10 and

11 (2) the drug is available for purchase by all pharmacies
12 in this State from national or regional wholesalers and is
13 not obsolete or temporarily unavailable.

14 (b) Removal from listing.--A PBM must maintain a procedure

16 source drug pricing or modify the maximum allowable cost in a
17 timely fashion.

18 (c) Substitutions.--A PBM may not penalize a pharmacist or
19 pharmacy on audit if the pharmacist or pharmacy performs a
20 generic substitution pursuant to the act of November 24, 1976
21 (P.L.1163, No.259), referred to as the Generic Equivalent Drug
22 Law.

23 Section 503. Availability of generic drug list.

24 (a) General rule.--Upon each contract execution or renewal,
25 a PBM shall, with respect to contracts between a PBM and a
26 pharmacy, or alternatively, a PBM and a pharmacy's contracting
27 representative or agent such as a PSAO:

28 (1) Include in the contract the sources utilized to
29 determine multiple source drug pricing, including, if
30 applicable, the maximum allowable cost or any successive
31 pricing formula of the PBM.

32 (2) Update the pricing information every seven calendar
33 days.

34 (3) Establish a reasonable process by which pharmacies
35 have a method to access relevant or current maximum allowable
36 cost pricing lists in effect and any successive pricing
37 formulas in a timely fashion.

38 (b) Confidentiality provision.--Nothing in this section may
39 prohibit a PBM from establishing a reasonable confidentiality
40 provision with a pharmacy's or pharmacist's contracting
41 representative agent such as a PSAO.

42 Section 504. Multiple source drug pricing appeals process.

43 (a) Process to be established.--All contracts between a PBM
44 or a pharmacy, or alternatively, a pharmacy's contracting agent,
45 such a PSAO, shall include a process to appeal, investigate and
46 resolve disputes regarding multiple source drug pricing. The
47 contract provision establishing the process shall include the
48 following:

49 (1) The right to appeal shall be limited to 14 calendar
50 days following the initial claim.

51 (2) The appeal shall be investigated and resolved by the

1 PBM through an internal process within 14 calendar days of
2 receipt of the appeal by the PBM.

3 (3) A telephone number at which a pharmacy may contact
4 the PBM and speak with an individual who is involved in the
5 appeals process.

6 (b) Denial.--If a PBM denies an appeal, the PBM shall
7 provide the reason for the denial and identify the national drug
8 code of an equivalent drug that is available for purchase by
9 network retail pharmacies in this Commonwealth from wholesalers
10 at a price that is equal to or less than the maximum allowable
11 cost for the appealed drug as determined by the PBM.

12 (c) Approval.--If a PBM grants an appeal, the PBM shall make
13 the price correction, permit the reporting pharmacy to reverse
14 and rebill the appealed claim and make the price correction
15 effective for all similarly situated pharmacies from the date of
16 the approved appeal.

17 Section 505. Enforcement.

18 The department shall enforce the provisions of this chapter
19 and shall take action or impose penalties to bring noncomplying
20 entities into full compliance with this chapter.
