

Amendment Summary

A00054 (Eichelberger)

COMMITTEE: Banking and Insurance

DATE: 2/2/15

PRIME SPONSOR: Eichelberger

BILL NO: SB 293

PREPARED BY: Carlton Logue

PRINTER'S NO: 176

In order to reference the entire Affordable Care Act, as amended, "Patient Protection and Affordable Care Act (Public Law 111-148, 124 Stat. 119)" is deleted and replaced with "Federal health care act."

This amendment also removes the definition of "health insurance producer," as it is no longer used in the bill.

The amendment also contains a few technical word changes requested by the Insurance Department.
